

LANDA®
PRESSURE WASHERS

Since 1969

North America's **LARGEST** Manufacturer of
Industrial **PRESSURE WASHERS**

SEA

Stationary, Electric-Powered,
Cold Water Pressure Washer

- Up to 4.2 GPM, 3000 PSI
- Belt-Drive Pump with 5-Year Warranty
- Stainless Steel Cabinet
- Time-Delay Shutdown
- Optional Auto Start

■ Industrial-grade **Motor** is connected to the rugged, tri-plunger, oil-bath **High-Pressure Pump** (with 5-year warranty) by dual, heat-dissipating V-cogged belts. **Pulleys** are made of cast iron and can be easily adjusted by turning two bolts.

■ Four quick-couple **Nozzles** are made of hardened stainless steel and color-coded for easy selection of spray pattern: 0°, 15°, 25°, 40°

■ **Time-Delay Shutdown** automatically turns off unit, if not in use for a set time, for protection against unattended operation.

■ Add portability to the SEA with ► optional **Wheel Kit** (#4-03177), including detergent jug holder, and **Hose Reel** (#4-02755030) for tangle-free handling of up to 100 feet of high-pressure hose.

■ **Inlet Filter** strainer protects pump from debris.

■ Insulated, fatigue-free, spring-loaded **Trigger Gun** with stainless steel, dual-lance **Variable Pressure Wand** make for easy cleaning and adjusting the pressure while washing.

■ 50 ft. of steel-wire braid **High Pressure Hose** rated for up to 5800 PSI and with 24-inch **Hose Guard** for burst protection and swivel **Crimp Fitting** for tangle-free handling of hose and trigger gun

■ With the switch in the 'ON' position, the optional **Auto Start** function allows the unit to be turned on with the pull of the trigger for convenient remote operation.

■ 36 ft. of high-grade **Electrical Cord** with ground fault circuit interrupter on single-phase models for operator safety.

■ Many **Safety Features**, including a thermal pump protector to prevent the build up of excessive pressures or heat.

■ Optional rust-free **Float Tank** with stainless steel inlet filter and back-flow protection.

■ Easy-to-attach **detergent Injector** for easy application of soap

■ Corrosion-proof **JIC Fittings** are used throughout on all pipes for ease in servicing and longer life.

■ Heavy-duty **Cabinet** is made of stainless steel, including base plate, and rides on four **Rubber Feet** for absorption of vibration. The cover can be removed quickly by hand unscrewing four **Star Knobs**.

■ Helpful **Tri-Lingual Labels** with operating instructions in English, Spanish and French for added liability protection and operator convenience.

WHY CHOOSE LANDA'S SEA

The SEA is the absolute top-of-the-line stationary, cold water pressure washer on the market today. The 11 models feature belt-drive pumps and are ideal for indoor cleaning applications, from food processing to warehouse cleaning.

QUALITY: Only the highest quality components are found in the SEA, including the tri-plunger high-pressure pump with 5-year warranty, stainless steel cabinet riding on four vibration-absorbing feet and stainless steel variable pressure wand for maximum cleaning flexibility. Also, the SEA is assembled in a factory certified to the internationally recognized ISO-9001 quality standards.

SAFETY: The SEA also is certified to the rigid UL-1776 safety standards making it very safe to operate thanks to its thermal overload protection on both the motor and pump, 24-inch hose guard for burst protection, Ground Fault Circuit Interrupter on all single-phase models, and tri-lingual operating instructions for owner liability assurance.
