

**LANDA**<sup>®</sup>  
PRESSURE WASHERS

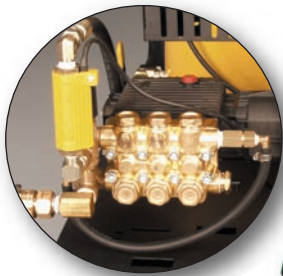

Since 1969

North America's **LARGEST** Manufacturer of  
Industrial **PRESSURE WASHERS**

# Commando™

Self-Contained, Gasoline-Powered,  
Diesel-Heated, Hot Water Pressure Washer

- Up to 3.8 GPM, 3500 PSI
- Heavy-Duty Honda Engine, 9-13 HP
- Direct-Drive Pump with 5-Year Warranty
- Sch. 80 Heating Coil

▲ Industrial-grade, tri-plex **High-Pressure Pump** has a forged brass head and a five-year limited warranty.

■ Easy-reach **Control Panel** has **Adjustable Thermostat, Hour Meter, and Tachometer** with digital display that flashes a reminder when maintenance is due.

■ Industrial-duty **Honda Engine**, with overhead valves and easy-access oil drain line, is mounted on **Vibration Isolators** for less wear and longer life.

■ Rugged 10-gauge steel **Chassis** protected with weather-resistant epoxy powder coat finish.

■ Top-of-the-line **12V DC Burner** uses new high-tech engineering for better fuel efficiency and low maintenance.

■ 50 ft. of steel-wire braid **High Pressure Hose** with 24-inch guard for burst protection.

■ Many **Safety Features**, including a rupture disk and thermal pump protector to prevent build up of excess pressures or heat.

■ Extra-durable **Heating Coil** made of leak-free, cold-rolled, Schedule 80 steel pipe with five-year warranty; supported laterally by a bracket.

■ Unique lift-out design allows for easy and quick **Coil Access** without having to remove the outer wrap.

■ Rugged **Roll Cage**, a single, welded frame made of 1 1/4" square steel tubing, provides solid protection to valuable components as well as a lifting beam and push handle.

■ Helpful **Tri-Lingual Labels** with operating instructions in English, Spanish and French for owner and operator protection.

▲ **Optional Hose Reel** with unique 360° pivot design for tangle-free handling of high-pressure hose.

▲ Durable polyurethane **Battery Box** slides out for easy access.

Shown with optional hose reel

■ Insulated, fatigue-free **Trigger Gun** and chrome-plated, dual-lance **Variable Pressure Wand** for adjusting of the pressure while cleaning.

■ Easy-to-attach **Detergent Injector** for applying soap while washing simply by twisting the handle on the wand.

■ Four quick-couple **Nozzles** are made of hardened stainless steel and mounted for ready access.

■ 13-inch, two-ply, tubed, **Pneumatic Tires** for easy maneuvering and **Wheel Brake** for added stability.

## WHY CHOOSE LANDA'S COMMANDO™

The Commando™ is the most rugged, gasoline-powered, hot water, on-site cleaning machine on wheels offering a unique blend of quality, safety, ease of servicing, and extra stability.

There are four Commando™ models all powered by Honda engines, 9 to 13 HP. Two of the models feature both electric and recoil start. Meet this take-charge leader:

- **Built to Last:** From the heavy-duty General Pump and energy-efficient Beckett burner to the single-piece, welded steel frame and extra-rugged heating coil, the Commando™ is built like a tank.
- **Safe to Use:** Besides its ETL certification to the rigid UL-1776 safety standards, the Commando™ has a variety of safety features often not found in other brands, including anti-siphon mechanism, adjustable thermostat, 24-inch hose guard, tri-lingual operating and warning labels, and wheel brake.
- **Easy to Service:** The Commando™ has been engineered for convenience in servicing with easy access to the components on the underside of the platform and to a water-resistant control panel with tachometer and hour meter.
- **Extra Stable:** Stability is essential for a portable washer like this. The Commando™ is loaded with 1/4" square steel frame, 10-gauge steel chassis, 13" tubed pneumatic tires and vibration isolated engine mounts.

## COMMANDO™ Specifications

Part No.	GPM	PSI	Engine	HP	Start	Pump RPM	Burner	BTU's	L x W x H	SHIP WT.
MVC3-30321	3.0	3000	Honda	9	Recoil	3400	12V DC	266,000	46" x 31" x 46"	525 lbs.
MVC4-30321	3.5	3000	Honda	11	Recoil	3400	12V DC	336,000	46" x 31" x 46"	590 lbs.
